

Job offer

Client Relations Expert

ParisRental's services are designed to make future tenants' move to France simple and stress-free. Moving to a new country is always a source of uncertainty: administrative rules are different but utility contracts, property insurance coverage and internet all need to be done (and quickly). The same applies to the search for a bank, a parking lot, a housekeeper, a school and more. It's tricky to accomplish it all.

ParisRental is now looking for a new talent to join their team!
