

## **Accountant- Scandinavia**

*Fisher and Paykel entered the respiratory care market in 1971 with the development of a unique respiratory humidifier system for use in critical care. We now offer a broad range of products and systems for use in respiratory and acute care and the treatment of obstructive sleep apnea.*

*At Fisher and Paykel Healthcare, we fully understand the life-changing impact that can result from delivering inspired and world leading healthcare solutions; After all, we changed the way the world delivers respiratory humidification to critically ill patients in hospital. Today, through an unrivalled commitment to innovation, to doing the right thing; and doing what is the best for the patient, we continue to inspire world-leading healthcare solutions.*

To support our current and booming sales activity in Scandinavia, we are seeking for our European headquarters in Paris:

### **An accountant dedicated to the Scandinavia subsidiary (Sweden, Norway, Denmark, Finland).**

As an Accountant specialized in Swedish accountancy and bookkeeping, you will join the shared team based in France to perform all accounts payables duties, some tax/social operations and some reporting operations regarding the Swedish Fisher & Paykel entity. In this aspect, you will work with the Financial Controller of Fisher & Paykel based in Sweden. You will have to perform all following tasks:

- Accounts payable: maintenance of Accounts payable ledgers (suppliers and employees expenses reports), booking invoices, controlling purchases according current procedure, preparing and booking payments.
- Tax and Social: preparation before validation of certain tax and social settlements in Nordic countries. Preparation of payments within official deadlines.
- Reporting: preparation of miscellaneous pages of the monthly reports, like Intercompany circularisations, capital expenditures.
- Internal reporting: establishment of reports for the Sales managers and for the Financial Controller on expenses and accruals.
- Any other duty required by the Financial Controller or by the Sales managers

Fisher and Paykel Healthcare Training programs will be delivered to facilitate career development and to ensure Fisher and Paykel Healthcare policies and processes are followed.

YOU graduated with a degree in Finance. You have a 5 - 7 years of experience in accountancy activity. Your native tongue is Swedish and you are fluent in English.

You have outstanding communication and presentation skills and you are customer oriented;  
You like working as a part of an energetic team.  
We offer you an opportunity to work as part of a dedicated and professional team at a company with culture of commitment to our employees and customers.

The role is located in France – Villebon/Yvette (Essonne) and it involves daily relationships with the Financial Controller based in Sweden and the local Sales representatives and Managers for Sweden/Norway/ Denmark and Finland.
